VERSE 1

The Arameans saw they had been defeated
G♭
They regrouped in the shadow of the field
E♭m7
Hadadezer sent out his messengers
B♭m
To pull the soldiers from beyond the river
They came to Helam in a heavy line
G♭
With Shobach leading them, commander of the fight

PRE-CHORUS

E♭m7
When David was told of this new threat
B♭m
He gathered all Israel, strong and set
Crossed the Jordan to meet them face to face
G♭
The Arameans drew up their lines in place

CHORUS

B♭m
Shobach fell where the battle raged
G♭
Struck down by the hand of David's might
E♭m7
He died there in the dust and the blood
B♭m
The commander of their army, no more stood
The Arameans fled before Israel's power
And the vassal kings bowed to the hour

VERSE 2

G♭ B♭m
Seven hundred charioteers were slain
Forty thousand horsemen gone in vain
G♭
The resistance broke, the fear was deep
E♭m
The kings who served Hadadezer had to sleep
B♭m
They made peace with the people of the land
Subject now to a foreign hand

PRE-CHORUS

G♭
The fear took hold, they dared not stand
E♭m
To help the Ammonites across the land
B♭m
The alliance broke, the war was done
Under the rule of the chosen son

CHORUS

G♭
Shobach fell where the battle raged
B♭m
Struck down by the hand of David's might
G♭
He died there in the dust and the blood
E♭m
The commander of their army, no more stood
B♭m
The Arameans fled before Israel's power
And the vassal kings bowed to the hour

B♭m G♭
Shobach is gone, the battle is past

Only the truth of this day will last
