VERSE 1

B♭ E♭
Paul stood in the middle of the Areopagus
Gm F E♭
Saw the city full of idols all around
B♭ E♭
He looked at the objects of their worship
Gm F E♭
And found an altar with a hidden sound
Gm F E♭
To an unknown god it was inscribed
Gm F E♭
What you worship in ignorance I will explain
B♭ E♭
The God who made the world and everything in it
Gm F E♭
Does not live in temples made by human hands

PRE-CHORUS

F
He gives everyone life and breath and all things
Gm E♭
From one man he made every nation
F
To seek God and perhaps reach out for him
Gm F E♭
Though he is not far from any one of us

CHORUS

B♭ E♭
In him we live and move and have our being
Gm F E♭
We are his offspring as the poets say
B♭ E♭
So we ought not to think that the divine being
Gm F E♭
Is like gold or silver shaped by human skill

VERSE 2

B♭ F E♭
God overlooked the times of ignorance past
Gm F E♭
But now he commands all people to repent
B♭ F E♭
He has set a day to judge the world with justice
Gm F E♭
By the man he has appointed for the end
F
He has given proof of this to everyone
Gm F E♭
By raising him from the dead in glory's light

CHORUS

(repeat)

BRIDGE

Cm7 F
Some began to mock when they heard of the resurrection
Gm F E♭
But others said we will hear you again
Cm7 F
Damaris joined him and came to believe
Gm F E♭ B♭
A woman from Athens in the center of the plan

OUTRO

Gm F E♭
And others with them believed in the risen Lord
Gm F E♭
The gospel reached the mind and the heart of man
