VERSE 1

B♭ Gm
I was the younger son and I wanted it all now
E♭ F
Said, Father, give me my share, I'm through behind this plow
B♭ Gm
He divided up his property, I gathered everything
E♭ F
And I left for a distant country where the money made me king

VERSE 2

B♭ Gm
But the money ran like water and the famine came to town
E♭ F
I was feeding pigs for strangers with my head hung down
B♭ Gm
I longed to eat the pods they ate, but no one gave me a crumb
E♭ F
Then I came to myself and I thought of where I'd come from

PRE-CHORUS

E♭ F
I will get up and go to my father
B♭ F/A Gm
I am no longer worthy to be called your son
E♭ F
Treat me as one of your hired hands

CHORUS

B♭ Gm
While I was still a long way off
My father saw me on the road
E♭
He ran to me and held me tight
F B♭
He kissed me and he brought me home
Gm E♭
This son of mine was dead and is alive again
F B♭
He was lost and is found

VERSE 3

Gm
My brother heard the music as he came in from the field
E♭ F
He stood outside in anger and his heart would not yield
B♭ Gm
So our father came outside to him and pleaded with him there
E♭ F
My child, you're always with me, all I have is yours to share

BRIDGE

E♭ F
We had to celebrate and rejoice
B♭ F/A Gm Gm7/F E♭
Because this brother of yours was dead and is alive
F B♭
He was lost and is found

CHORUS

Gm
While I was still a long way off
My father saw me on the road
E♭
He ran to me and held me tight
F B♭
He kissed me and he brought me home
Gm E♭
This son of mine was dead and is alive again
F B♭
He was lost and is found
