VERSE 1

I had sons and I had daughters, I had cattle on the plain
I was known in all the East and my barns were full of grain
Then the messengers came running and they told me one by one
Fire and raiders and a great wind, and my children all were gone

CHORUS

Naked I came from my mother's womb
And naked I will return
The LORD gave, and the LORD has taken away
Blessed be the name of the LORD

VERSE 2

Sores from my head down to my feet, I sat in ash and dust
My friends said I must have sinned, for God is always just
I cried into the silence and no answer came around
Oh, that my words were written down

BRIDGE

C
But I know that my Redeemer lives
Gm
And in the end he will stand upon the dust
C
Yet in my flesh I will see God
I myself will see him
Gm
My own eyes will behold him

VERSE 3

Then the LORD answered Job out of the storm
Where were you when I laid the earth's foundation
I put my hand upon my mouth, I'd talked of things too high
I had heard of you by the hearing of the ear
But now my eye has seen you

CHORUS

(repeat)

OUTRO

I know that my Redeemer lives
C
Blessed be the name of the LORD
