Two friends are walking slowly with their faces hanging low

A stranger joins them on the road and asks them why they grieve

We had hoped he was the one, they say, now what can we believe

CHORUS

E♭ B♭
Were not our hearts burning within us
Gm F E♭
While he talked with us on the road

And opened the Scriptures to us

Stay with us, for it is nearly evening
E♭
The day is almost over

And mile by mile the stranger walked them through the ancient story

CHORUS

(repeat)
