VERSE 1

I sent my wives and children across the Jabbok ford
I sent the gift on ahead of me, every flock and herd
Then I was left alone there on the river bank that night
C
A man came out of the darkness and he wrestled me till light

CHORUS

Gm
I will not let you go unless you bless me
Wrestled all night long until the day was breaking
C
He touched my hip and wrenched it but I'm holding on
Gm
I will not let you go unless you bless me

VERSE 2

He asked me what's your name, I said Jacob is my name
The heel-grab-ber, the schemer, the man who carried shame
C
Your name will no longer be Jacob, but Israel
You have struggled with God and with men and have prevailed

CHORUS

(repeat)

BRIDGE

I named that place Peniel
I have seen God face to face
And yet my life was spared
The sun rose above him as he passed Penuel
C Gm
And he was limping because of his hip

OUTRO

Limping in the sunrise
Blessed and holding on
C
I will not let you go
