VERSE 1

Dm E Am
You trusted in your beauty and played the whore
Lavished your favors on every passerby
Dm
Took garments and made gaudy shrines for them
E
Used my gold and silver to make male images
Am
Set my oil and incense before these idols
Sacrificed your sons and daughters to the fire
Dm
Did not remember the days of your youth
E
When you were naked and kicking in your blood

CHORUS

Hear the word of the Lord regarding you
Am
I will gather all your lovers against you
Fmaj7
Strip you naked before them in the square
Dm
They will tear down your mound and lofty shrines
E
Stone you and cut you with their swords
Am
I will spend my wrath and my jealousy
Fmaj7 Dm
Then I will be calm and no longer angry

VERSE 2

E Am
You built a mound at the head of every street
Degraded your beauty for every passerby
Dm
Played the whore with the Egyptians and Assyria
E
Multiplied your whorings with Chaldea too
Am
You scorned payment like a brazen prostitute
Opposite of women who solicited love
Dm
You are truly your mother's daughter indeed
E
Who despised her husband and her children

CHORUS

Hear the word of the Lord regarding you
Am
I will gather all your lovers against you
Fmaj7
Strip you naked before them in the square
Dm
They will tear down your mound and lofty shrines
E
Stone you and cut you with their swords
Am
I will spend my wrath and my jealousy
Fmaj7
Then I will be calm and no longer angry

BRIDGE

Dm E Am
Your older sister Samaria lived to the north
Your younger sister Sodom lived to the south
Dm
You copied their abominations and ways
Became more corrupt in all your deeds
E Am
Sodom was arrogant and overfed with ease
Did not help the poor and the needy
Dm
Samaria did not commit half your sins
E
You made your sisters look righteous by contrast

OUTRO

Am
I will restore the fortunes of them all
Dm
So you may bear your disgrace and be ashamed
E
They will return to their former state
Am Dm E
And you will be a consolation to them
