VERSE 1

Dm B♭ Gm
The hand of the Lord came upon me in a vision
Dm B♭
Set me down in a valley full of bones, no living
Gm Dm Dm B♭ Gm
Very many, very dry, sun bleached, forgotten
Dm
He said, son of man, can these bones live again
B♭ Gm
I said, Lord, you know, I can't answer that
Dm Gm Dm B♭
He said, prophesy to the bones, tell them this is a fact
Gm Dm
Hear the word of the Lord, I will breathe into you
Put flesh on your frame and you will live, it's true

CHORUS

Dry bones rise, dry bones rise
Hear the word of the Lord tonight
Breath from the four winds, come alive
Dry bones rise

VERSE 2

So I prophesied and there was a rattling sound
Bone came to bone all over the ground
Sinews and flesh and the skin on top
But no breath in them yet, so the story didn't stop
Prophesy to the breath, come from the four winds
Breathe on the slain, let them live again
And the breath came in and they stood on their feet
A vast great army, the valley complete

CHORUS

(repeat)
